Re: Frame Relay Service Upgrade Promo

Dear Mr. Terreni:

In accordance with provisions in the United Telephone Company of the Carolinas General Subscriber Services Tariff, Section U2.7, Special Promotions, this is to inform you of the Company's plan to conduct a promotional campaign from January 14, 2008 through May 12, 2008.

During the period, existing business customers who currently subscribe to the Company's non-regulated Dedicated IP service may be eligible for a one-time waiver of monthly charges for Enhanced Frame Relay Service.

To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must upgrade their existing Enhanced Frame Relay Service to a higher speed under a new term commitment with the same number of months or more than remain on the existing term commitment. The Company will waive the monthly recurring charges for the Frame Relay Access Line and the Permanent Virtual Circuit (PVC) for one month, with the waiver appearing on the customer's first invoice after the upgrade. The customer is only eligible for this promotion once for the same Frame Relay Access Line.
